SCHOOL TERM DATES 2024 - 2025

The School Calendar will be sent to parents/guardians (via students) at the beginning of the Autumn term and will indicate other important dates such as when to expect school reports and reviews, examination dates, parent consultation evenings, after-school productions, field trip dates, and so on. *The School actively discourages parents from taking students on holiday during term time and will not approve such absences except in exceptional circumstances. Your child must always obtain a signed Leave of Absence form from the College leader. Unapproved absence will be recorded as 'unauthorised'.*

The Year 9 curriculum reflects the excellent work done within our Middle Schools and throughout the Dorchester Area Schools Partnership. The curriculum offers work and challenges relevant to students' abilities and learning styles, following the completion of Key Stage 3 programmes in Year 8. UNIFORM

School uniform develops a feeling of self-esteem among students and does much to eliminate feelings of inequality as well as projecting a positive image for the school. The principles of the school uniform are smart, professional and understated. All students (other than the Sixth Form) will wear the items of dress set out below.

The school asks for your co-operation to ensure that your child always comes to school wearing correct school uniform. If for any reason this is not possible, please write a note to your child's tutor.

SCHOOL POLICIES

ADMISSIONS TO THE SCHOOL

Students are admitted to the Thomas Hardye School in accordance with the Governing Body's Policy for Admissions.

At present the school is significantly over-subscribed. If you wish your child to be considered for admission please contact the Headteacher.

A full copy of the School's Admissions Policy can be found on the school website.

OPEN EVENINGS

These are held in the summer term for all parents of students in Year 8 moving up to the school in September. Their child will visit the school in the summer term to meet their new tutor and members of their tutor group and to experience lessons for a day. This helps them to become familiar with the school before joining later in the year.

POLICY INFORMATION

Copies of all school policies can be found on the Thomas Hardye School website.

PERSONAL RESPONSIBILITY

The School believes in a well-organised community, emphasising a positive atmosphere based on care, courtesy, common sense and self-discipline. Respect for each other is expected from everyone and bad language is not acceptable at any time. No one should ever seek to hurt another or misuse or damage their belongings.

REWARDS

Personal achievement is the best way to develop responsibility. High quality work, helpful service to the school community and excellent attendance are recognised and rewarded by special postcards home, merit cards and ties.

Outstanding work is recorded in the Book of Excellence and the student receives a personal letter of commendation from the Headteacher.

LEAVING THE PREMISES

A student needing to leave the premises during the day must bring a note from their parents or guardian informing their tutor. The tutor will then authorise a pass. The student must always report to the School Reception with the pass to sign out and in.

LEAVE OF ABSENCE

A parent must complete a Leave of Absence form from the student's College leader. The school does not approve holidays taken during term time and absence will be "unauthorised".

VALUABLES

Students are advised not to bring valuable items onto the school premises. The school accepts no responsibility for their loss or damage.

MOBILE PHONES

Students should not use their mobile phones or other mobile devices in school without permission from a member of staff. Parents will be asked to collect the device from the School Reception if permission has not been obtained. Urgent calls may be made by students from the School Office on request. Examination Boards will disqualify any student if they are found to have a mobile phone in their possession during an examination.

SMOKING

Smoking and vaping is forbidden on the school premises and when approaching or leaving school; no student should have tobacco or vaping equipment and if found they will face the appropriate sanctions.

SANCTIONS

Withdrawal of privileges or detention may be used to make a point about a student's behaviour whether in, or out of, the classroom. Detentions may be given, and parents will be given 24 hours' notice of any detention after school; they will also be informed if a student has been excluded from lessons at any time.

The ultimate sanction is suspension or exclusion; this is rarely imposed but is especially relevant where the health and safety of students or staff is put in jeopardy.

FOOD AND DRINK

Food can be bought from the Canteen for lower school students, and from the Sixth Form snack bar. Space is available in the dining room and theatre for eating packed lunches. The Canteen and the Sixth Form cafeteria are run by the school and use locally sourced food.
