

The Thomas Hardy School

## Summer Preparation Task

Music Technology A Level  
Edexcel 9MTO

### Purpose of task:

To help prepare you for A-Level Music Technology, you are going to undertake a short research project.

### History of Popular Music Playlist

Create your own 'Popular Music Playlist' by selecting a song you like from each decade (from 1910 up to the current day).

Listen to as many different styles and genres as possible over the summer, and try to go out of your comfort zone.

For each song, complete the following:

Song Name

Artist / Group

Date Released

Genre

Musical features (approximately 150 – 200 words for each)

What you most like about it (approximately 80 words)

A web link to YouTube (or similar) so we can hear it
