In the Event of an Incident, Fire or Near Miss

A review of the risk assessment for the activity will be required. If the Hirer has produced a risk assessment then the hirer is responsible for undertaking the review and informing the school of any findings that may be relevant. Schools are NOT responsible for undertaking risk assessments for Hirer's activities.

In the Event of Fire

The Hirer will call the Fire Service (if school staff are not present and supporting the activity)

All users will evacuate the building via the nearest fire exit and muster at the pre-determined designated point.

Users must not re-enter the building until the 'all clear' has been given. The Fire Service will give this if school staff are not present to investigate. Fires must be reported using the Incident Report form.

There are a variety of licences that may be required for different types of function. The onus is on the hirer to ensure which are necessary and must produce documentary evidence before the letting takes place. - b) The effect of i) is that the Hirer will be liable to indemnify the school for any damage which is caused when the premises are being used for a function for which they are let. However, it is only operative if the damage etc. is caused by the negligence of the user or any other person using the premises with the Hirer's permission.

The booking will be confirmed to the Hirer along with a copy of the form if approved.
- b) All applications will be considered on their merits, taking into consideration the suitability of the activity. The school reserves the right to:
 - Refuse applications without giving a reason,
