<p>Families of students who participate in the exchange will agree to serve as hosts for an American student who will be visiting in summer 2018 and must agree to an enhanced DBS check. The family is expected to provide a room, transportation and board. The school will arrange a variety of activities/visits for the American students while they are here.</p> <p>Criteria used to determine selection for participation in the exchange will include full completion of this application as well as candidate interviews, teacher recommendations and a review of safeguarding records. I have read the requirements above and herein for travelling and hosting and agree to abide by these for participation in the American Exchange Program.</p>
