13 June 2018

Dear Parent/Guardian and Student

## Year 12 Reviews

Your son/daughter's second Year 12 review will be available on the school portal from Friday 15<sup>th</sup> June.

This review reports your son/daughter's mock exam results from the examinations sat at the beginning of May. There are also updated predicted and potential grades indicating the results your son/daughter's teachers think they will achieve in the A Level examinations next summer. In addition, you will see effort grades shown for each subject and precise and personalised targets for further progress.

## Futures Day 2

May I also bring to your attention that Year 12 have Futures Day 2 on Tuesday 19th June. All Year 12 students will be off timetable and there is a full programme of events to support students in their post Year 13 applications. There are two programmes running on the day; one for students who wish to apply to university and one for those who are looking to pursue the apprenticeship or employment route. For students who are still keeping their options open there is the possibility to attend talks from both programmes. For your information please see the other attachment with the two programmes for the day.

To run the day we are using the expertise of our own teachers and a number of external speakers. The speakers offer higher level apprenticeships and employment in Dorset or who have a wealth of experience with university applications.

Mike Nicholson – Lead Admissions Tutor from Bath University  
Kirsten Duffield – Local businesswoman  
Adrian Richardson – ASK: National Apprenticeship organisation  
Ross Hair – University of East Anglia  
Diane Harrington – Atlas Elektronik  
John Senior – Dorchester Chamber of Commerce  
Sophie Hill – NHS Dorset  
Various speakers from Bournemouth Arts University

In addition we have former students who will support us in the delivery of the day, sharing their own experiences of their post Year 13 pathways.

Please can I be clear that attendance on this is compulsory. Although there will be ongoing support with applications throughout Year 13, there will be important information shared on Tuesday which cannot be re-delivered at a later date.

With best wishes.

Yours faithfully

Mrs K A Taylor  
Co-ordinator of the Futures programme/Head of Sixth Form

## Leadership Team:

N. Bousfield B.A.  
K. Chittenden B.A.  
I. Cornell B.Sc.  
T. Ennion B.Sc.
