

Modern Foreign Languages

For students who will be studying French next year, watch this video showing you how to make the famous 'croque monsieur'. You can turn on subtitles in French to help you and pause the video if you need to look up any of the words. Try making this delicious French snack for your family and take a photo of it. We'd love to see it!

For those of you doing Spanish, watch this video to revise the language that you learnt in the taster session and use it to make a poster presenting yourself that you can show to your teacher when you come up in September.
