

## **The Thomas Hardy School**

### **Social Sciences – Law**

#### **Department Information**

This is an exciting opportunity to join a highly successful and growing department. Due to increasing numbers of students choosing to study law we are looking to recruit a motivated, friendly and dynamic member of staff to join our team.

Law is a popular subject at our sixth form. We currently offer both BTEC Applied law and A level law. We teach a diverse range of topics to our students including criminal, tort, human rights, contract and family law as well as the English legal system. Students have access to a wide variety of resources and we offer extra-curricular activities for students across sixth form. In previous years we have run trips for the students to the Old Bailey and the Royal Courts of Justice. In addition, students have the opportunity to visit the Houses of Parliament and take part in law making workshops.

You would be joining a successful department which achieves excellent outcomes for students each year and which continually strives to improve and develop. Students on our law courses are passionate and enthusiastic about their learning and many choose to go on to study law at university in order to further develop their understanding around the subject. We are confident that you will find working with our students a very rewarding experience.

If you would like further details about the position please contact our subject leader for law [jjosic@thomas-hardye.net](mailto:jjosic@thomas-hardye.net).
